Again this year we are pleased to present a special workshop for all coaches that will offer an opportunity to meet with our State Problem Captains for a thorough review of problems 1 through 5. No outside assistance will be given, but problem rules, public clarifications, etc. will be discussed. This workshop is free to all our coaches. It does not take the place of the regular Coaches' Workshops, which cover different material and should be attended by all new coaches. Pre-registration is necessary. You may register multiple coaches on one form.
